DIGITAL INDIA WEEK

(01-07-2015 to 07-07-15)

Activities of Project Monitoring Unit Pondicherry UT, BBNL

PRESS RELEASE

The BharatNet (NOFN) Project was inaugurated on 1st July 2015 by the Hon'ble Prime Minister of India, Shri Narendra Modi as part of the Digital India Week commencing from 1-7-2015 to 7-7-2015. Digital India is a program to transform India into a digitally empowered society and knowledge economy.

BBNL, Tamilnadu celebrated the Digital India Week in both districts namely Pondicherry and Karaikal of Pondicherry UT. The week long activities were conducted at Ariyankuppam East, Manapet and Korkadu Gram Panchayats of Ariyankuppam Block in Pondicherry District and Karaikal Block Head Quarters in Karaikal District.

The National Optical Fibre Network was conceptualized by the Govt. of India in the year 2012. The Project is funded from the Universal Service Obligation Fund (USOF) at a cost of about 20,000 crores connecting 2.5 lakh Gram Panchayats spread across the entire country. Govt. of India has formed a Special Purpose Vehicle (SPV), viz., Bharat Broadband Network Limited under the Ministry of Communication and IT to execute the Project. As part of this Project in Pondicherry UT, 98 Gram Panchayats in 3 Blocks viz., Villianur, Ariyankuppam and Karaikal are connected with High speed Rural Broadband facility on Optical Fiber Cable link (OFC) at a cost of about Rs.3.5 crores. This connectivity will facilitate delivery of citizen-centric services on real time basis at a faster speed. The Project was executed in about six months by Railtel Corporation with active support of the Pondicherry State Government and BSNL.
