MESSAGE

Bharat Broadband Network Limited is observing Vigilance Awareness Week, 2018 from 29th October, 2018 to 3rd November, 2018, as per the guidelines of Central Vigilance Commission (CVC). The central theme for this year is “Eradicate Corruption – Build a New India”.

A number of activities have been planned during the week to create awareness amongst the officers and staff of BBNL and its various stakeholders about the importance of Vigilance. Though the activities for vigilance awareness are confined to a week, the spirit of vigilance is timeless. The campaign against corruption would continue till our vision of Corruption free India is realized. “Zero tolerance” to corruption is the basic mantra and “Leveraging technology to prevent corruption” is the core strategy to achieve this objective. Through “BharatNet”, BBNL has been substantially contributing in this campaign.

This cannot be gainsaid that most of the socio-economic conundrums in our country stem from corruption. It is therefore pivotal that corruption is eradicated from the roots to build a New India of our dreams. On this occasion, I appeal to all fellow BBNL officers and staff to renew their commitment to integrity and probity in all their public and personal dealings.
