Dated 26th October 2021

MESSAGE

Corruption affects a nation's growth in many adverse ways. Observance of the 'Vigilance Awareness Week' is one of the tools to bring together all stakeholders to raise public awareness of corruption. The vigilance awareness week this year is being observed from October 26th, 2021 to November 1st, 2021 with the theme "**Independent India@75: Self Reliance with Integrity; स्वतंत्र भारत@75 सत्यनिष्ठा से आत्मनिर्भरता**". The theme chosen by the Central Vigilance Commission this year is to commemorate 75 years of India's independence on 15th August, 2022.

Our Hon'ble Prime Minister's vision is to make India "Aatmanirbhar" or "Self Reliant". Maintaining Integrity at workplace is one of the means to become self-reliant as it fosters a positive work environment and an ethical approach to decision making without fear or favour. This is possible if we can motivate our employees and citizens to fight corruption by spreading awareness about existence of corruption and the ways and means to fight the same.

This year the focus of CVC is on the sensitizing employees and citizens on the Public Interest Disclosure and Protection of Informers (PIDPI) resolution, also known as Whistle Blower Resolution. This resolution encourages citizens to inform about corruption by protecting the identity of the informer. BBNL has already implemented the Whistle Blower Policy for protection of informers, which is also available on the BBNL website.

I, on behalf of Vigilance Wing, would like to invite everyone for creating awareness about corruption and create an atmosphere to weed out unethical practices in BBNL, which will go a long way to make BBNL a strong organization.

With best wishes

(B K Nath)
