MESSAGE

Vigilance Awareness Week is observed every year for supplementing the efforts of the Government and participation of citizens for the eradication of corruption from society through various vigilance awareness programs. This year Vigilance Awareness Week is being observed from October 26th, 2021 to November 1st, 2021 in Government and Public institutions across India with the theme "**Independent India @75: Self Reliance with Integrity; स्वतंत्र भारत@ 75 सत्यनिष्ठा से आत्मनिर्भरता**". The theme chosen by the Central Vigilance Commission this year is to commemorate 75 years of India's independence on August 15, 2022.

In the last one year, our country has faced an unprecedented crisis in the form of Covid-19. The country went into lockdown and the people were confined to their homes. However, during this period telecom services played a vital role in keeping the people connected. BBNL has been cast upon this enormous responsibility of connecting the 2,50,000 Gram Panchayats in our country through a high-speed broadband network. This network is envisaged to become the backbone of India's rural economy. It is our duty to fulfil this vision for which we have to make BBNL a strong and corruption free organization.

The focus of CVC this year is on sensitizing employees and citizens on the Public Interest Disclosure and Protection of Informers (PIDPI) resolution, also known as Whistle Blower Resolution. BBNL has already implemented the Whistle Blower Policy for protection of informers, which is available on the BBNL website. We can all play a vital role in promoting fairness, transparency and accountability at workplace while also striving to eradicate corruption in BBNL to the best of our abilities.

I compliment the CVO and his team in making utmost efforts for spreading a culture and climate, which reinforces integrity to fight corruption at workplace. On this occasion of Vigilance Awareness Week – 2021, I extend my greetings to the entire BBNL family and urge upon all the employees to inculcate transparency and integrity in their professional and public life.

I also urge upon all the employees of BBNL to take the integrity e-Pledge on the CVC website <https://cvc.gov.in>

With best wishes

(Sarvesh Singh)
